WRITING

Films. I enjoy detective films. I think they are exciting with their Intrigue. I like to solve all the puzzles together with film's characters, make guesses and watch the whole action whole some. When I see the interactions, I imagine myself as a detective too and ~~to~~ can't keep my eyes off the TV. I prefer watching movies at home, because no one interrupts me and no one get in the way. Also, I think that watching movies at home have some kind of its own special atmosphere. And besides, the food like popcorn and soda in cinema is ~~is~~ not cheap, and I don't really want to spend that much money on it when I can go to the market, buy myself some snacks and be happy.
