## WRITING

I was enjoy of different films which appearances to games, different family films and etc. Because I very love games, I'm interested in this industry, in this culture, also I watch my family films with my family because I love spend time with my family family to watching different films. Majority of those films very interesting. I prefer watching films at the cinema because it's have special atmosphere, you can go to watch film with your friends. Yea, I like watching them at home, but I more like cinema than films at home.
